Dear Member

It has been brought to our attention that we could be taking advantage of the Gift Aid Scheme whereby we can claim back the tax on your subscriptions and donations. This is due to the rules being revised as from April 2000.

Refunds are at the flat rate of 28p for each £1.00, which means that we are able to reclaim £5.04 on each subscription of £18.00 and £7.00 on family membership of £25.

This is dependent upon you paying income or capital gains taxes – but you don't have to be rich to do that! If you pay any tax at all – even on your Building Society accounts – then we can benefit.

To do this we need on file a completed Gift Aid Declaration from you. It only needs completing once and will remain in force until you wish to cancel it.

Please help us in this way.

Best wishes

Jill Thorley
